

Enjoy a day @ Moran Raceway by having a corporate event, group party or a private function. At the largest track on the west coast you will definitely want bragging rights.

Glen Kendall Photography can capture your event with high end equipment for a large " 13 x 19 " down to " 5 x 7 " and also offer a digital video on dvd to record this great racing day.

Get yourself and your group out for a run down through the corkscrew and you can show everyone " WHO " held the best line.

At the end of the day, you can pick through hundreds of photos and select the best ones that shows your style.

Some photo packages, come complete with a plaque, trophy and picture to commemorate your event.

A one-week notice of your event and \$100.00 deposit is required for a photographer to be at the track. If you choose \$100.00 worth of pictures, your deposit is used as part of the picture package.

If you or your party want trophy plaques, we will need to know how many to purchase when the reservation is made.

A DVD video will consist of roughly 50 min. of raw footage. All photos that you purchase will be included on disk as a slide show, with the purchase of video.
